

work

excellent

At Carillo's Auto Body, we strive to provide the best in auto body service and technology. Our staff and technicians are thoroughly trained in the most innovative techniques in auto body repair and care, and have extensive experience working on fine automobiles.

Our state-of-the-art equipment is the best available for commercial use today. We are so confident that you will be more than proud of our work that we offer a generous warranty on all repairs.

We provide the following repair services:

- Computerized color matching
- Downdraft booth paint application
- Frame and unibody specialization

For us, your comfort and peace of mind are top priorities. It is our mission to turn the bad experience of having an automobile accident into an auto repair experience you can feel good about.

In a time when it is difficult to trust anyone, we are committed to providing you with ample reason to trust us. If our service and care don't meet or exceed your expectations, we know that we haven't done our job.

We provide the following services:

- Insurance claim assistance
- Rental car referrals
- Towing assistance
- Relaxing and inviting waiting areas

care

excellent

“True craftsmanship
and employees eager to please
are getting more difficult
to come by.”

reputation

excellent

Just look at these actual testimonials from our clients:

“True craftsmanship and employees eager to please are getting more difficult to come by. You and your people encompass these ideals.”

“I would like to thank you and your crew for the fine work you did on my Explorer. I was so afraid the paint would not match—but the vehicle looks brand new again.”

“One often hears horror stories about repair shops and the dangers of such encounters. Allow me to say that this was not the case in either of my visits to your shop. On the contrary, I found you and your staff to be greatly friendly, courteous, helpful, and most of all, honest.”

“I found you and your staff to be
greatly friendly, courteous, helpful,
and most of all,
honest.”
